

# Degrees at a Glance

UH Maui College offers a variety of curricula in both the liberal arts and in the career & technical disciplines.

The **Liberal Arts** curricula include courses that lead to degrees in the Associate in Arts (AA) and the Associate in Science (AS), as well as the shorter-term Academic Subject Certificate (ASC) subsumed under the AA degree.

**Career** curricula include career-technical, public service, and business programs that lead to degrees in Bachelor of Applied Science (BAS), Associate in Science (AS), Associate in Applied Science (AAS), and a customized Associate in Technical Studies (ATS) degree using courses from two or more existing approved programs, along with the shorter-term Certificate of Achievement (CA), Certificate of Competence (CO), and Certificate of Professional Development (CPD).
