

Fashion Technology (ASC) (33 credits)

Degree Type

Academic Subject Certificate

The ASC in Fashion Technology encourages students to explore entrepreneurship by acquiring skills in sewing methodology and pattern development of apparel. Students who plan to pursue a baccalaureate degree in fashion should consult a counselor or academic advisor. Call the Fashion Technology Program at 808-984-3292 for more info.

- GPA of 2.0 or better is required for all courses applied to the certificate.

Completion Requirements

1. Completion of 33 credits in required Fashion Technology core courses and elective courses.
2. 190V courses can be repeated if course title is different.
3. Cross-listed courses may be taken in either department.
4. AA degree requires an additional 30 credits (100-level or higher) minimum.
