

Maui Food Innovation Center (MFIC)

The Maui Food Innovation Center (MFIC) is a business entrepreneurship program designed to support local food producers through education and training, business incubation services, food product and development.

Maui Food Innovation Center helps develop “cottage” size companies into medium-sized food manufacturing in the State of Hawai‘i by providing education, access to industry leaders, and a shared-use food business incubator and processing facility with an array of resources and technologies to elevate and foster their growth.
