

The Library

The Library is a full-service, vibrant hub of student support and interaction. Features include in-person and online reference assistance for your research projects, equipment loans, computer and media labs, designated group and silent study spaces, and thousands of print and electronic books, articles, and media to help with your research and pique your curiosity.

Access to library materials and research help is available at the physical library or online at www.mauui.hawaii.edu/library/
