

Computing Services

The UH Maui College Computing Services manages and provides support for all UHMC campus and outreach computers, software, network, telephones, and related technology devices.

Faculty, staff and students in need of assistance can contact the UHMC IT Help Desk by submitting a ticket via maui.hawaii.edu/helpdesk or by simply emailing uhmchelp@hawaii.edu with a description of your issue.

The help desk can also be reached via phone at [808-984-3283](tel:808-984-3283) or by visiting the help desk center located on the second floor of the Ka'a'ike building in room 203.
